Who attends the Annual Canadian Power Conference?

The Annual Canadian Power Conference, presented by APPrO every November in Toronto, is the leading event of its kind in the Canadian power generation business.

Perennially well attended by senior business leaders, utility executives, energy professionals and government officials concerned with generation in Canada, the APPrO conference continues to be the “go-to” event for the past thirty-plus years. The annual APPrO conference is well-respected, trusted, and relied upon for relevant content, expert speakers and focused networking. And, in a business where the rapidly changing market means that intelligence and connection and having the “big picture” are key to the success of your bottom line, you won’t want to miss a moment!
